

IntelliZone[®] LOCATOR CHARGING ACCESSORIES

SINGLE LOCATOR CHARGER

Each charger contains a locking feature that secures a Locator using a standard 1/4" padlock (padlock not included).

Matrix Part # 10001824

6-POSITION CHARGING RACK

Simultaneously charges up to six IntelliZone locators. Up to 10 racks can be daisy-chained together sharing a single AC wall outlet. (Daisy-chaining requires C14 to C13 cable - not included.)

Matrix Part # 10001710

CHARGING RACK UPGRADE KIT

6-pack of drop-in replacement chargers for the 6-position Charging Racks.

Matrix Part # 10003202

MODEL 100 PORTABLE CHARGING STATION

This portable stand is made from modular aluminum and stacks up to 10 Locator charging racks (60 Locators) in a single location. (Charging Racks sold separately).

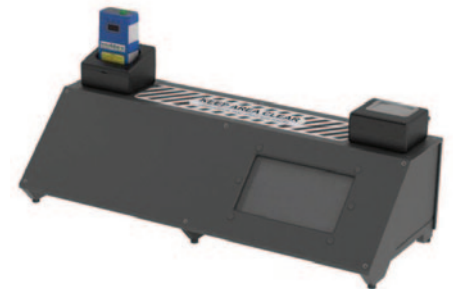

Matrix Part # 10000129

MODEL 105 WALL-MOUNT CHARGING STATION

Save floor space with this wall-mounted frame that supports up to five (5) Locator charging racks (Charging Racks sold separately). Mounting hardware is included (Some assembly required).

Matrix Part # 10001609

LOCATOR TEST STATION

Performs diagnostic tests on Locator units and measures calibration and hardware performance, notifying users of potential discrepancies in battery or magnetic readings.

Matrix Part # 10002753
