---

## Quality Policy

Matrix is committed to satisfying customer requirements by:

- Providing innovative safety, training, and technology systems
- Conducting all work to a high professional standard
- Promoting individual accountability for quality products and services
- Adhering to Ex regulatory standards and directives
- Committing to continual improvement of our quality management system

Our Quality Management System facilitates the achievement of consistent customer satisfaction, which is essential to our success.

President: Mark Watson

Director of Quality: Michael Spanner
